

Casa Nueva Cabernet Sauvignon

Chile | Central Valley | Curicó Valley

Art. Nr. 12464

Wine Description

Beautiful flavours of blackcurrant accompanied by damsons and plums with a soft and earthy aftertaste. Pure Cabernet Sauvignon has plenty of tannin so this wine will develop beautifully.

Region Description

Grown and produced in the Viña Echeverría, located to the eastern part of the Curico Valley, closer to the Andes Mountains. Its location here between the Andes and coastal mountains allows for diurnal temperature variation, which has the effect of producing high acid and high sugar content, as the grapes' exposure to sunlight increases the ripening qualities, while the sudden drop in temperature at night preserves the balance of natural acids in the grape.

The vines are irrigated using snow melt from the mountains allowing perfect irrigation year after year Chilean Cabernet Sauvignon is said to have the best health advantages of any wine.

TECHNICAL DATA

VINTAGE:	2024	COUNTRY:	Chile
REGION:	Central Valley	VOLUME:	0,75 L
STYLE:	Ripe & Rounded	WINE TYPE:	Red wine
VARIETAL:	Cabernet Sauvignon	SERVING TEMP:	room temperature
ALLERGENS:	contains sulfites	AGING POTENTIAL:	to 2030
