

Etschtaler Rose

Italy | Trentino

Art. Nr. 38687

Wine Description

An aromatic, fruity South Tyrolean that you just can't get enough of. The nose and palate reveal beguiling aromas of sour cherry and black cherry with a subtle floral touch. A juicy-sweet rosé with fresh acidity and a fruity finish. The comparatively moderate alcohol content makes it a real refreshment, especially on warmer and hotter days, of which you can drink a glass more.

Region Description

Various local grape varieties are the basis of this wine. In the composition, the strengths of each variety complement each other. This creates a round and well-balanced wine.

Food Pairing:

This lovely and uncomplicated rosé is just waiting to be enjoyed by you and to spread good cheer. Well chilled, it enriches your picnic or is a great ingredient for punch or a summer long drink!
