

# Bodega el Hostal Tempranillo

Spain | Castile-La Mancha

Art. Nr. 55415

## Wine Description

Silky yet intense, intense red with purple reflections due to its youth. Ripe red fruit bouquet; plum, redcurrant and nuts ending with cacao notes. Soft and tasty tannins with strawberry flavours.

## Region Description

Located 40 miles south of Madrid, Castilla-La Mancha lies in the heart of Spain. While the prestigious DOs of Castilla-La Mancha have more stringent viticulture and winemaking restrictions than the lesser Vino de la Tierra de Castilla designation, quality wines can certainly be found. Most commonly, these red blends are full-bodied with ripe tannins and robust fruit and spice aromas.

## Food Pairing:

Pasta with light sauces, roast lamb and fish dishes.
