Wine Description

The color of the Primitivo di Salento shines garnet red with violet reflections in the glass. The aroma is characterised by cooked dark berries. On the palate, this red wine from Apulia has a full-bodied, spicy and soft texture with aromas of dried plum and blackberry.

Region Description

Salento is the name of a 100km long and 40km wide peninsula in the extreme south-east of Italy and is often referred to as the “heel” of the Italian “boot”. This is where our new Primitivo “Capolavoro” comes from - the “masterpiece” that combines the masterful wine craft of Italy with the advantages of this great terroir.

Food Pairing:

Goes wonderfully with pasta with tomato sauce, grilled meat, goulash.
