

## Costières de Nîmes

France | Rhône

Art. Nr. 55611

### Wine Description

This cuvée shows a bright lemon yellow in the glass. With a scent of grapefruit, pear, apple, and peach, this cuvée caresses the senses. The fine aroma of the fruits is echoed on the palate. A hint of herbs perfectly compliments the fruit.

### Region Description

Costières de Nîmes is an Appellation d'Origine Contrôlée (AOC) for wines that are produced in an area between the ancient city of Nîmes and the western Rhône delta, in the French department of the Gard. Formerly part of the Languedoc region of France, the wines more resemble those of the Rhône valley in character than of the Languedoc, and it is now part of the Rhone wine area.

### Food Pairing:

Pairs well with grilled fish and seafood.
