

Kedvenc Bor Rosé

Hungary | Hajós-Baja

Art. Nr. 57266

Wine Description

Made from 100% Merlot, this is a beautiful fresh and vibrant rosé full of aromas of ripe cherries as well as raspberries which entice the nose. Rich tastes of summer fruit with an intense and balanced sweetness along with a light acidity makes this wine extremely easy to enjoy.

Region Description

Hungary is blessed with fantastic geographic conditions for wine growing, and dry and hot summers with many hours of sunshine which are ideal to fully ripen the grapes and develop an abundance of aromas and flavours.

Located in Southern Hungary the wine region Duna Borregio is situated on an elevation that was formerly the riverbed of the Danube and comprises of the areas Hajos Baja, Kunsag and Csongrad.

Red and white Pieroth favourites from this region are the Fehér Arany (white gold) and Bor Forrás both rich in flavour with a sweet fruitiness on the palate, so it is only just that we have a rosé to compliment the collection.

Food Pairing:

Social drinking, fruits or pepper jack cheese
