

## Ponticello Rose

Italy | Trentino

Art. Nr. 58087

### Wine Description

This excellent wine was recommended to us by our Italian sister company, Conte Ottavio Piccolomini, a firm favourite of theirs for years. It has certainly become one of our best-selling rosés in recent years.

Salmon pink in colour, our Vallagarina enters the glass and exudes its potpourri of summery aromas of white flowers and red cherry. On the palate, these fruity cherry notes meet with the highly noble sweetness. The result is an elegantly fresh and fruity taste experience. A successful, harmonious wine that is a pleasure to drink.

### Region Description

The Vallagarina Valley in Trentino is located parallel to Lake Garda and is mainly characterized by viticulture and Mediterranean landscape. Here you can discover the vineyards, the alpine pastures of the Brentonico plateau, the terraced fields of Val di Gresta and the rocky peaks of the Little Dolomites. The vineyards are situated in the region of Vallagarina in North West Italy, just above Lake Garda. Local grape varieties are carefully blended together to create this elegant wine which is full of raspberry and strawberry fruit flavours.

### Food Pairing:

Enjoy chilled on its own, with family picnics or with dishes of grilled / barbecued tuna.
