

Kreuznacher Kronenberg

Germany | Nahe

Art. Nr. 58612

Wine Description

A Pieroth classic from the Nahe, worthy of its new “Pieroth Blue” presentation, produced from late-harvested Riesling grapes.

It is a delightful wine that is golden to the eye with a beautiful taste of peaches and cream tempered by a gentle and delicate softness in the finish.

Region Description

Wines made from the Riesling grape in Germany rarely exceed 11% alcohol (more often around 8-9%) but they are never short of flavour hence its nickname ‘Germany’s Sauvignon’.

This Spätlese wine is produced from selected grapes, picked 10-14 days after the main harvest. These extra days ripening in the sunshine has concentrated the natural sugar levels and of the usually crisp Riesling grape, giving the Kreuznacher Kronenberg a delicate acidity, and a flavour that is both fruity and fresh which can be enjoyed at any time.

Food Pairing:

Pork, turkey, Oriental cuisine, desserts.
