

## Les Gauvries de Romanet

France | Bordeaux

Art. Nr. 59057

### Wine Description

Our flagship wine using the classic Sauvignon Blanc makes a welcome return. Located within the Bordeaux appellation, the 95 hectare vineyard has only 5 hectares producing white wine in the area of St Quentin de Caplong. This district is famous for its rich terroir located on the banks of the Dordogne River.

This excellent Sauvignon has a vibrant pale yellow colour with a bouquet of white peaches with undertones of citrus fruits creating a crisp and intense flavour followed by a perfect rounded finish.

The Gauvries will certainly grace the finest of tables with its stunning presentation and taste or make the perfect gift for the discerning wine lover.

### Region Description

White Bordeaux wine is complex and age worthy. When young, tasters enjoy pronounced sensations of flowers, citrus, vanilla, lemon, crushed rocks, grapefruit and lime. As white Bordeaux wine ages, the colour deepens and the wine takes on additional characteristics of freshly cut lawn grass, honey, minerality, spice and butterscotch.

### Food Pairing:

Recommended with fresh salmon, steamed halibut and barbecued Langoustines.
