

Icecrystal

Hungary | Hajós-Baja

Art. Nr. 59215

Wine Description

The Icecrystal shines in the glass with a deep red colour presenting appetising aromas of cherries and honey with a hint of marzipan. On the palate flavours of concentrated ripe and sweet fruit give it a richness which leads into a velvety aftertaste to be savoured.

Region Description

Hajós is located in southern Hungary on the Alföld Plains (the great Plains of Hungary) which used to be the riverbed of the Danube. Due to the ideal soil conditions and continental climate (hot dry summers, cold winters) this is the heart of Hungary's wine area. Hajós is known as the village of a thousand cellars, all of which are maintained by the local winemakers. With the development of Pieroth's partnership with exclusive boutique vineyards stretching back over many decades we continue to respect this tradition by producing high quality wines matured in both stainless steel and oak casks.

Food Pairing:

Pairs well with cheeses or fruit desserts
