

Cherry Dream Glitter Liqueur

Germany

Art. Nr. 59450

Wine Description

This glitter liqueur captivates with its sparkling appearance and seductive cherry aroma. On the palate, it reveals a harmonious sweetness underpinned by the fruity notes of ripe cherries. Its smooth texture and luminous, shimmering accents lend it a touch of sophistication, while a subtle acidity provides a pleasant freshness. A liqueur with a unique visual appeal and depth of flavor that elevates any occasion.

Region Description

Our mesmerising shimmer liqueur is the result of innovative craftsmanship and traditional recipes. Crafted from select ingredients, it blends the intensity of ripe cherries with a breathtaking glitter effect, making it the visual highlight of any celebration. The sparkling accents are created using special pearl effect colourants—completely safe potassium aluminium silicates coated with iron oxide. This ingeniously balanced interplay creates the unique shimmer effect that makes this liqueur truly special.

Food Pairing:

The perfect companion for festive occasions or social gatherings. Whether enjoyed neat, in a cocktail, or as a sophisticated topping for desserts, this glitter liqueur elevates every moment and turns heads.
