

Romania Merlot - Dragulya

Romania | -

Art. Nr. 60094

Wine Description

This Romanian Merlot Dragulya red wine offers a captivating blend of elegance, complexity, and richness. Its colour is typically a deep ruby red and as it matures, it transitions into a garnet-shaded wine. On the nose, it features fancy aromas of black cherry, plum, chocolate, and sometimes a slight hint of mint.

On the palate, this wine presents medium to full-bodied flavours. Romanian Merlot is abundant with fresh fruits like ripe cherries with a touch of blackberries or blueberries that balance the hints of toasted oak, vanilla, or dark chocolate. The tannin level is medium, contributing to a round and smooth texture. The finish tends to be long, heralding a warm and inviting aftertaste.

Region Description

Dealurile Olteniei (Oltenia Hills) is a wine-producing area covering the five counties of the region of Oltenia in southwest Romania. A broad selection of international and Romanian grape varieties are cultivated. The climate is temperate-continental, with hot summers and warm autumns which aid grape ripening. Very good sun exposure, average annual rainfall.

Food Pairing:

Dragulya pairs well with various foods such as roast meats, steak, or rich tomato-based dishes. The elegant complexity and forward-fruit characteristics make this wine a delightful experience.
