PIEROTH

Domaine d'Azenay

France | Burgundy | Mâcon-Villages AOC Art. Nr. 63026

Wine Description

We have the privilege to showcase this 2022 Chardonnay. A dry and full-bodied wine with a bright, golden yellow color. On the nose, aromas of white fruits like pear and apple, along with floral notes and hints of honey are often present. No oak, only stainless-steel tanks used.

The acidity is crisp and balanced, making these wines wonderfully refreshing. The finish is generally clean and long. Also known for its minerality, which can be attributed to the limestone soils in which the vines grow. This gives the wine a unique character and a touch of complexity.
