

## Kangaroo Point

Australia | South Eastern Australia

Art. Nr. 91518

### Wine Description

The Cabernet Sauvignon provides blackcurrant and black cherry, with a hint of sweet chocolate, whilst the Merlot gives weight, richness and softness to the palate. This wine continues to be one of our biggest ever sellers, and the new vintage is even higher in alcohol at 13%.

### Region Description

In recent years Australian wines have captured 21.6% of the U.K. wine market, over-taking France as our number one supplier.

Our customers have benefited from superb wines from our own Golden Grape Estate, now we have a wine to rival the best that Hungary and Romania can offer.

The Kangaroo Point is a late harvest blend of Cabernet Sauvignon and Merlot, resulting in a superbly rich and fruity 'BIG AUSSIE RED'.

### Food Pairing:

Enjoy with cheese, ratatouille, chicken or on its own
